

Cindy and Todd Leuck own Evan Todd Salon in Wabash Landing and they also reside and garden in West Lafayette, at 225 Pawnee. They moved into their home 12 years ago and have labored to transform the house, garden and pool. The shady site overlooks a ravine and Happy Hollow Park where a small stream is visible. The deck edges the pool and is shaded by large trees including a very old multi-stem Crab Apple. The deck is well used for family relaxation, dancing, weddings and engagement parties.

A large Red Jade weeping crab apple welcomes you to the sunny garden entry. Even after the blossoms have faded on the crab tree, the shiny green fruit adds a visual treat to the front garden. Colorful annuals fill many containers and daisies flourish in the sunny areas. Multiple purple Siberian irises, that were transplanted from Cindy's parent's garden in Angola, Indiana, thrive in the shade. What a wonderful oasis!
